Our School Advisory Board

School Advisory Boards (SABs) are crucial elements of our work with schools and communities.

SAB members are ambassadors of the school, engaging with stakeholders and ensuring the school is a safe and and happy place to learn and work.

The role description and person specification for School Advisory Board Members can be found on our website.

Chair of the School Advisory Board

The Chair of the School Advisory Board provides leadership to the SAB and ensures that SAB members fulfil their functions for the proper governance and ethical leadership of the school.

The Chair facilitates the School Advisory Board, working as a team to challenge, support and contribute to the effective leadership of the school.

The role description and person specification for the Chair of the School Advisory Board can be found on our website.

How can you get involved in a role?

We have a variety of School Advisory Board Member openings available across our schools. There are also Chair of the School Advisory Board opportunities available, to provide effective leadership to the SAB.

We would like to hear from anyone who is interested in these roles. Experience of school governance or related fields would be helpful but is NOT essential as we would provide training.
