Making the most of Unifrog: Parents / Guardians

With Anna Finlason
Trust Careers Adviser

What is Unifrog?

- Unifrog believe that destinations - where students end up after school - is even more important than their academic performance. They partner with schools to support students to progress into the best opportunity for them.
- Unifrog do this by providing a one-stop-shop where students can explore their interests, then find and successfully apply for their best next-step after school.

The Unifrog tools

Access all tools on Unifrog to learn what options are available, access good quality information, and search for opportunities to support your child.

UK Universities

English Literature - 3FT/6PT BA (Hons)

Oxford Brookes University

Safe - TEF Silver

English Literature offers the opportunity to study an exciting range of modules, blending the study of classic texts and literary traditions with current theoretical models for understanding literature as a dynamic, global phenomenon. Our course is renowned for its inspirational teaching and research excellence. In the 2013 National Student Survey (Source: Unistats), 93 per cent of students agreed that staff had made the subject interesting.

Full-time undergrads at the uni: 13305 Domestic / Int'l undergrads at the uni: 84% / 16%

Last year's successful applicants
89.8% of successful applicants did the same qualification types as you, and of these a typical result was:
A Level: C

Unofficial overview

"Oxford Brookes is spread across three suburban campuses in Oxford and the small university city has a friendly feel. Oxford Brookes pioneered the modular system of study and the academic year is split into two semesters rather than three terms. The university has a strong reputation for sport, and there are also strong links with industry. Despite the fact that the city is tiny, nightlife is lively and students enjoy studying here."

Campus or City: CAMPUS

- Students can enter subject of interest and projected grades to see all relevant university courses available in the UK
- Rank and filter opportunities by factors like hours of lectures, price of accommodation and graduate job rates
- Get direct links to university information pages, with impartial information on courses and institutions
- Save unlimited shortlists to refer back to later

GDPR

GDPR is a regulation in EU law on data protection and privacy for everyone within the European Union and the European Economic Area.

Unifrog takes data security very seriously, and as such, has several features in place to protect school and student data.

We only use EU data centres, have multiple firewalls, layered-access security and more. Information on this can be found at unifrog.org/about#security

Creating your account

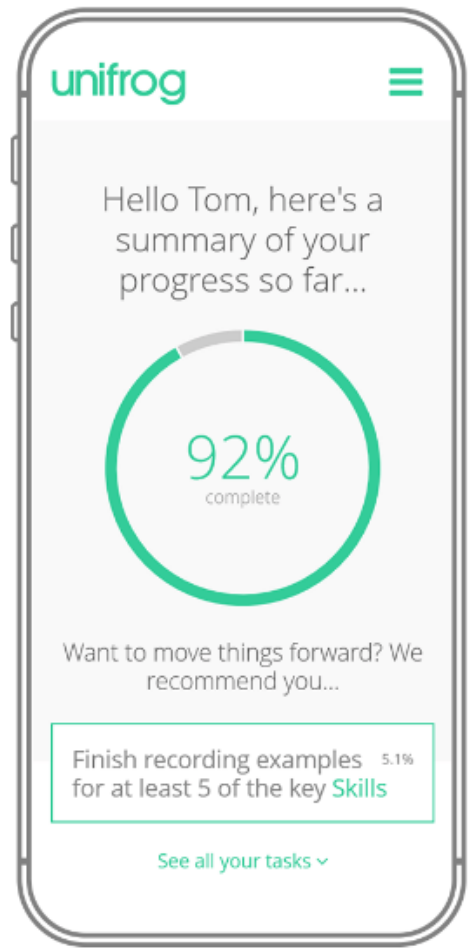

The **universal** destinations platform.

We help students compare every university course, every apprenticeship, and Further Education courses - then apply successfully.

We also empower teachers and counselors to manage the progression process effectively.

Resetting your password / resending welcome email

If you forget your password –

1) Hit the link to reset.

2) Go to your school email

*check junk/spam - just in case!

3) Follow instructions

The screenshot shows the Unifrog website's sign-in page. At the top left is the Unifrog logo. To the right are navigation links: ABOUT, BLOG, EVENTS, CASE STUDIES, JOBS, CONTACT, and a SIGN IN button. The main heading is "Sign in". Below it are two input fields: "Your email address" and "Your password". A green "Sign in" button is positioned below the password field. To the right of the input fields is a grey box with the text "Been given a Sign up Code?" and a green link "> Use it here". At the bottom left of the page, a link "Reset password / Resend welcome email" is highlighted with a red border. A large yellow arrow points upwards from below the page towards this link.

Why should we encourage students to use Unifrog?

- 1 One stop shop for all things destinations – avoids having to direct students to multiple places
- 2 Collation of all documents relevant to career planning and destinations – allows these to be stored in one place
- 3 Support with every stage of the process – from personality quizzes to writing personal statements
- 4 Allows students to keep track of what can be an overwhelming process
- 5 Unique opportunities – e.g., online courses to trial subjects
