## CAREERS ACROSS THE TRUST

 @MES CAREERS DEPT  
 @CAREERSMECE

Even though this term has been an unusual one, there has still been a wealth of exciting Careers-related activities taking place across the Trust and there are many more to come...

### TRUST VIRTUAL APPRENTICESHIP EVENING

 Our annual Trust Apprenticeship Parents' Information Evening was transformed into a virtual event this year, with pre-recorded presentations uploaded to our website for parents to view at their leisure. These fantastic resources are specifically designed to help parents and guardians develop their knowledge of the apprenticeship route so that they can discuss this pathway as a viable option with their children. If you haven't done so already, take a look at the videos here <https://tinyurl.com/7plk0fgu>

### TRUST VIRTUAL CAREERS FAIR

 On Tuesday 2 February, the Trust Virtual Careers Fair went live! A link to an online directory featuring careers, apprenticeships, and contacts for further research into industries went live at midday, along with pages dedicated to a range of industries and companies, and responses to students' questions about specific career roles and opportunities! The resources can be found here for students and parents to explore at their leisure <https://tinyurl.com/25ghx55d>

### MES YEAR 11 EMPLOYER MOCK INTERVIEWS

 During the week commencing Monday 22 February, Year 11 students at MES will be developing their employability skills through PSMSC sessions including networking and personal branding. Excitingly, students will also participate in a virtual employer-led mock interview, for which they will create a CV and conduct research into the role. Thank you to our wonderful employer contacts for making this event possible - we couldn't do it without you!

### MES PE DEPARTMENT GUEST SPEAKER

 On Wednesday 13 January, KS4 and KS5 PE students were treated to a fantastic lecture on 'What the professionals really eat' from Professor Graeme Close of Liverpool's John Moores University, a leading practitioner in the world of Sports Nutrition and Human Physiology. Graeme used the wealth of experience gained from his own career pathway to contextualise how Sports Nutrition impacts on performance in elite level athletes. Thank you to PE and Graeme for providing students with this invaluable opportunity!

### #CAREERS WEEK 3

 From 8-12 February we are celebrating #Careers Week 3!

As part of LGBT+ History Month, students will be discovering inspirational LGBT+ figures in careers linked to their subjects. Students will also explore the benefits of pursuing the apprenticeship route to celebrate National Apprenticeship Week 2021!
