

Microsoft

Over the last three decades, Microsoft has consistently transformed the way that people live, work, play, and connect through great technology. We are inspired every day by the genuine belief that we can change the world for the better. Here on our UK website you'll find out more about how we are driving advances in cloud computing, developing new ways for people to interact with technology at home, at work and on the move, while transforming education and public services and supporting the UK economy.
