Information about Apprenticeships

An apprenticeship is a paid job where the employee learns and gains valuable experiences.

Alongside on-the-job training, apprentices spend at least 20% of their working hours completing classroom-based learning with a college, university or training provider which leads to a nationally recognised qualification.

An apprenticeship includes:
paid employment with holiday leave
hands-on-experience in a sector/role of interest
at least 20% off-the-job training
formal assessment which leads to a nationally recognised qualification.

As part of the celebrations for National Apprenticeship Week 2022 #NAW2022, MET held the annual Apprenticeship Open Evening.

This involved a live presentation from the MET Careers Adviser, Mrs Anna Finlason, with detailed, personalised feedback on questions that were submitted prior to the event.

Further details can be viewed [here](#).

Look out for information about the next event, with details on our [website](#).
